

DMAR Gives Bowling Tournament Sponsorship Package

Join us for the DMAR Gives Bowling Tournament, a friendly regional competition between the north and south regions, filled with prizes, drawings, food and fun. The tournaments will take place simultaneously on September 18th from 2:00 PM to 4:00 PM at Bowlero Westminster (north location) and Bowlero Lone Tree (south location). All proceeds will benefit our charitable foundation, DMAR Gives, which funds programs that enhance the quality of life for Coloradans by promoting stable housing and homeownership, as well as offers housing-related disaster relief in the communities where our members live and work. By sponsoring the DMAR Gives Bowling Tournament, you will be supporting initiatives that help individuals and families achieve and maintain stable housing.
